8th International Symposium on Highfield MR in Clinical Applications

First Announcement and Call for Papers

Satellite fMRI Symposium: Pain
Multitransmit MR Workshop

Bonn, August 28-29, 2009

Department of Radiology
University of Bonn
Germany
Contact:

Department of Radiology, University of Bonn
Sigmund-Freud-Str. 25, D-53105 Bonn, Germany

Phone: +49 228 287 16162
Fax: +49 228 287 16093

web: www.uni-bonn-radiologie.de
e-mail: 3Tesla@ukb.uni-bonn.de

Meeting venue:

Haus der Geschichte - Museumsmeile
(House of the History of the Federal Republic of Germany)
Willy-Brandt-Allee 14, D-53113 Bonn, Germany

Abstracts:

Abstracts should address topics related to clinical highfield and ultra-highfield MR, such as high resolution imaging, MR spectroscopy, MR angiography, functional MR, molecular imaging and other new techniques. In addition, technical aspects may also be covered if directly related to clinical highfield MR applications. Abstracts may be submitted by e-mail using the abstract template.

3Tesla@ukb.uni-bonn.de

Further Information and the abstract template will be available January 2009 at

www.uni-bonn-radiologie.de

Deadline for abstract submission: July 1, 2009
